

Get Your Money's Worth

Hearing The New Edison for the first time is like opening the blinds to the sunlight.

You expect to hear the familiar "talking machine tone".

Instead—there pours forth the voice or the music of the instrument, in all its natural beauty—pure and full, and indistinguishable from the living artist.

When you choose an Edison Re-CREATION, you receive the actual voice of the artist or his masterly instrumental performance—nothing more, nothing less.

We know that when you select an Edison Re-CREATION, you are getting your full money's worth because we have proof.

Two thousand musical critics have endorsed our claim that

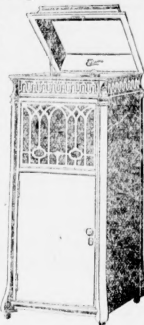

The NEW EDISON

"The Phonograph with a Soul"

Re-CREATES the human voice and the music of human played instruments without the slightest deviation from the original.

"What the Critics Say," tells the story completely. Ask for a copy and also for our beautiful new book "Edison and Music" when you come to hear The New Edison.

Namaka Notes

Laurie shipped a bunch of hogs to Calgary on Thursday.

Neen Watson has gone to Calgary and Merrill Brown to Strathmore to attend school.

The rest of the Namaka crew at Chesholm Agricultural School are housed and show that the Namaka have been too far, too late, place, while the girl student took 2nd place against the 20th. This is surely a most creditable performance by our own girls. Keep it up students!

Amongst the visitors to Calgary last week were Mr. and Mrs. Bignar, Mr. and Mrs. Lawrie, Mrs. and Miss Watson and Mr. P. Christie.

The coming meetings of the U.F.A. and U.F.W.A. called for Sunday afternoon have been cancelled so that members may attend a political meeting to be held in Namaka on the same afternoon at 2:30 o'clock. Mr. Guy Johnson will address the gathering on the political movement and it is hoped that all those interested will endeavor to attend. Everyone welcome.

The Railway Co. is doing big business this year at Namaka shipping out a large number of cars of grain, feed, stock, etc.

The Oddfellows are holding a dance in their hall on Friday evening.

Ardenode

At the annual general meeting of the Ardenode Local of the U.F.A., the following officers were appointed for the year 1926: President, H. W. Gough; Vice-President, J. H. Horrocks; Secretary, P. H. Dunlop.

The membership of the local increased during the year to 27 members, the increase being chiefly caused by the interest taken in the movement by the farm women of the district. The members of the local had the pleasure of hearing Mr. Fred Dyer, U.F.A., at their meeting on Jan. 24. Mr. Dyer gave a complete of the proceedings during the last session of the legislature and also direct at some points on the supplementary revenue tax act and was emphatic in his denunciation of the present of the current district. A resolution asking that this discrimination be removed was passed unanimously by the meeting at the close of Mr. Dyer's remarks.

The following delegates were elected to represent the Local at the annual convention, Mrs. Horrocks and Messrs. Gough and Dunlop.

The next meeting was fixed for Saturday January 24th at 2 p.m. in the school house and every member is earnestly asked to put in an appearance as the meetings have been grossly attended at late and it is up to every farmer in his own interest to take his share in furthering the progress of the movement.

A considerable quantity of green feed has been shipped from this point and there are yet several hundred acres to go out.

Mr. and Mrs. J. L. Booth are visiting in the States.

Standard News

VITAL FACTS AND FIGURES FOR THE PROSPECTIVE SHEEP BREEDER.

(Experimental Farm Notes.) Many enquiries are being received from prospective sheep breeders, principally returned soldiers, as to the number of sheep which certain types of land will carry and the possible profits from sheep raising. Available land of good quality and productivity need exclusively for sheep can be made to support from 2 to 8 ewes with their lambs until pasture per acre. On rough and hilly pastures, with sufficient adjacent arable land for the growing of winter feed, 2 ewes per acre should be considered a maximum and possibly not more than 2 per acre should be put on at the start until full carrying capacity of the land is determined. The every ten ewes there would be required for winter feed the following or its equivalent: 2 tons clover hay, 1 ton corn or 2 tons each of roots and chaffage; 15 bushels oats; 200 lbs. bran and 150 lbs. of the cake meal, would require at least 2 1/2 to 3 acres of arable land. As the sheep will receive a certain amount of pasture as well as the winter feed from the arable land, it may be presumed that for each acre of rough pasture land, carrying from 2 to 5 head of sheep, there should be one acre of crop land. On this basis a 100 acre farm, half rough pasture and half tillable land, should carry 150 to 200 breeding ewes with their lambs, together with 2 horses, 2 cows, and 2 calves per year.

The farm track is a source of revenue twice per year. In the spring the

wool clip yields on an average of 7 to 10 lbs. per ewe which at the conservative price of 60c per pound nets about \$4.20. Again lambs consisting of weaners and ewes not reserved for breeding purposes, are marketed in the early fall. These do not require much feeding other than the milk of their dams and good succulent forage such as can be had on any farm at that time. If place are laid properly, such lambs weighing from 70 to 100 pounds at time of shipment in late August and September, have brought as high as \$12.50 per ewe. In September this year they brought \$14.00 per ewe, or \$11.20 for the average lamb. The cost of feed for a ewe for one year is around \$250. Against this there is a revenue of \$15.70 or a profit over feed of \$104. This is on a basis of one lamb per ewe. The extra lambs obtained will take care of all losses and still help to swell the profit. If pure bred sheep are handled and the choice run lambs are sold for breeding purposes this income per ewe would be considerably increased.

THE HAY ASSOCIATION
The Editor,
Strathmore Standard.
Sir,
The shipping of green feed and hayings of all feeding material reminds me of the year 1918, how we farmers organized and started out to buy hay. I like to hear a little of this again yet. At the last meeting we heard that there was a thousand dollars in hay here. What became of this money? Did the Committee invest this money in war bonds or where is it? I am myself as shareholder would like to see a meeting to wind up this business. Not any too early I believe.

The Ladies Aid meets at the parsonage with Mrs. Lind on Thursday of this week when a good afternoon is desired.

The young people are putting on a play now. Look out for the announcement.

Mr. Rogers visited Calgary during the week.

Miss Lena Dick is home visiting her mother after having taught during the year at Jenner, Alberta.

Before he seeing about your new license, The H.C. of L. has nothing on the Government charging 15 "sanctions" for the privilege of running a Heavy Ford on these roads.

Mr. Polge of the Farmer's Elevator has returned from a vacation in B.C.

Mr. Stooly of Orion, near Medicine Hat has accepted a position with W. L. Brown and is clerking in the store now.

The Executive would desire it a favor if the foreman of the children would send them to Sunday School every Sunday at 2 o'clock.

The Annual meeting of the Sunday School was held in the church on Monday evening when there was a fair representation of those interested in the work of the Sunday School. The financial condition of the Sunday School is excellent and much satisfaction was expressed on the part of the S. S. during the year. Mr. A. R. Bell was re-elected superintendent and an assistant is to be appointed in the near future. Mrs. Edie Field was re-elected Sec-Treas. and Mr. Mowbray was elected as assistant Sec-Treas. It was decided to have a meeting on the first Monday of each month of all interested in the work of the Sunday School, for prayer and discussion of the problems of the work.

Church service each Sunday as follows:

Dalemead 11:00 a.m.

Carseland 2:00 p.m.

Annual meeting of the Consolidated School was held in the school house on Saturday afternoon last.

Mr. Paul Watt who is in the General Hospital in Calgary is still in a very critical condition.

Mr. Claude Fries, who has been in the hospital for the past few weeks is improving and will soon be able to be home again.

The Ladies Club met at the home of Mrs. G. C. McInnis on Thursday last. About 15 ladies were present and a successful meeting held. It was decided to reorganize the Club and form it into a branch of the United Farm Women's Association and for this purpose a special meeting is being arranged for Wednesday, Jan. 24th, at the home of Mrs. Gale Field.

BOISSEVAIN-BROWN WEDDING

The principal social event of the week was the marriage of Miss Rita Brown to Mr. Boissevain of Strathmore. The marriage took place in Calgary and was performed by Rev. Joe Berry. The guests in attendance during the ceremony were Sidney Allsup, Judson Lawry, Mr. Will Brown, Miss Winnie Brown and Miss Carl Gossoway. After the nuptial words were pronounced and two happy hours made one the party dined at the Club Cafe. The bride and groom will spend a short honeymoon near Calgary, and on Monday evening next a reception will be held at the bride's home, Hervy. A large number of invitations have been issued and a most delightful hour is anticipated.

The U.F.A. held their monthly meeting Saturday night at the school house. They were addressed by Mr. Skene of Cheffle on some of the vital questions now at stake in the province and London.

Master Stewart Reame has been confined to his home for some time suffering from a severe cold. We hope to see his sunny face with us soon.

Our annual school meeting will be held Wednesday evening next at 8 p.m. It is to be hoped that everyone in the district will be present thus expressing their interest in the important matter of the education of our young people.

A Massey-Harris party will be held in the school house Friday evening 22nd inst. A good time is in store for all. Get your costumes ready and remember to be here.

We are glad to have Mr. Layerall with us again after an absence of over three weeks.

The home of the thrasher is still sweet. It looks as if the winter will last till the spring begins.

Rev. Mr. Phillips of Strathmore paid a short visit to our school and several of our homes Friday last.

The Standard is a very welcome visitor here and its pages are eagerly scanned by young and old.

HERD LAW UP AGAIN

The question of the establishing of regulations restricting the running at large of cattle, horses, etc., within the boundaries of M.D. Bow Valley is again before the public. A by-law has been prepared by M.D. Bow Valley, which if a ballot is not called for by a certain number of ratepayers, will be passed into law within the next two months. In the event of a petition being brought forward, the by-law will be voted on at the time of the Municipal Election next month.

A similar by-law was brought forward last election, and received a majority of the votes cast, but on account of not receiving a clear majority of the resident ratepayers did not become operative. Now, however, what is required to bring the by-law into effect is a two-third majority of the ratepayers voting.

Copies of the by-law are being circulated, and a synopsis, with details of the methods of procedure, is published in this issue.
